

PM SPECIAL 2026

Hello everyone,

Finally, the time has come, and we are counting down the days to the 2026 anniversary special.

According to the calendar, today is May 6th, 2026 — 14 days until the club officially turns 20 years old. That also means there are 16 days until the anniversary special event begins.

We are looking forward to seeing all of you. Over the past year, we have prepared you with information about the club's history via NEK News.

More information will come, and of course there will be some birthday speeches.

We hope this will be a meeting place for former members, current members, and future members. Perhaps some of you have been with the club since the very beginning?

The weekend starts Friday, May 22nd, 2026 and lasts through Monday, May 25th, 2026.

This year, it is new that we are sending out the PM this early. This is because both registration deadlines have passed. We remind you that, according to NKK regulations, it has no longer been possible to submit late entries for events since January 1st, 2025.

Unfortunately, the cabins at nearby campsites were booked very quickly. There are still available camping spots, motorhome spaces, and options to set up tents. We are aware that some have also rented Airbnbs.

We remind everyone to clean up after their dogs. It should be pleasant for everyone, even after we leave the area.

Odin Camping has informed us that it is not desirable to walk dogs around or near permanent residents at the campsite. Please be considerate of this. It is also important that those staying in cabins with pets show consideration by keeping dogs off furniture.

We remind everyone that several of the days during the event are public holidays. Therefore, it is important to bring sufficient food and drinks.

FOOD SATURDAY:

The Norwegian Eurasier Club invites everyone to pizza. Members will have their meal covered by the club, while others must pay NOK 75. Children under 18 eat for free. Everyone must bring their own drinks and chairs.

Sign up for Saturday's meal via the link:

Remember to include allergies and other considerations.

Practical information about food at/from Odin Camping:

- Breakfast buffet: approx. NOK 60–75
- Lunch: approx. NOK 120–150
- Dinner: approx. NOK 120–150 (stews)

Europe's largest grill will be present with Badboys BBQ on Saturday and Sunday. They will also offer lunch:
